PUBLIC ANNOUNCEMENT

Following the implementation of the new fuel prices and a fuel price stabilization fee established by the Government to smoothen fluctuations of oil prices on the domestic fuel market.

Customs Services wishes to inform fuel importers, Customs agents and the general public that with effect from 08 October 2022, a fuel price stabilization fee is being collected on imported fuel as follows:

- Diesel (Ago): 0 Frw / Litre
- Gasoline (PMS): 59 Frw / Litre

Mwumvaneza Felicien

Commissioner for Customs Services
