ANNOUNCEMENT

TIN de-registration and waiver of penalties charged by the tax system

In reference to a number of taxpayers' requests to de-register their Tax Identification Numbers (TINs) because they were charged penalties by the tax system while they have not operated any business activity from the time they registered their businesses;

Following a thorough analysis of these requests, the management of Rwanda Revenue Authority (RRA) concluded that TINs that have never imported or exported, locally purchased or sold any goods and services shall be de-registered and be discharged of all penalties imposed by the tax system as they have never done any income-generating activity to pay taxes.

Any taxpayer who has a similar case but has not received a text message regarding their TIN closure is advised to visit our nearest office to get support.

For more information, please call our toll-free number 3004 or send us direct messages on our social media platforms.
