ANNOUNCEMENT

Reminder for users of invoicing system

Rwanda Revenue Authority (RRA) reminds all taxpayers who use their own Point of Sales systems (POS) to issue receipts that they are required to integrate those systems with EBM not later than May 2024. After this date, usage of invoicing systems that are not integrated with EBM will be prohibited.

Taxpayers who need support are recommended to approach one of the tech companies that sell invoicing systems that were integrated with EBM as listed above.
